## FINANCIAL POLICY

We are pleased to have you as a patient and look forward to providing you quality dentistry at an affordable price. Our office has traditionally been very open by offering several payment options for our patients. Due to the current economic climate we have decided to create a payment policy. We will now request payment at time of service for all treatment. There are several payment options which we accept including: cash, check, and credit card. Information about opening a care credit account can be obtained from our office if needed as well. We do understand that special circumstances do exist and the treatment of our patients will always be the top priority in our office regardless of price. Please consult with a member of our staff with questions or concerns.

Thank you for understanding.
